## Howdy all!

Posted by purplechalk - 2008/05/05 20:51

---

I figured I'd go ahead and do this part :) My name is Kayla and I teach in Clearwater. When I'm not in the classroom my hubby and I try to get out as much as possible! We typically rock out the diving at Honeymoon Island and see what we can get :) We're hoping to get involved in my outdoor activities now since we're fresh to Florida!
