Hi everyone!

My name is Alicia and I live in Palm Harbor with my boyfriend Nick. We both love adventure so when a friend told me about this site I had to check it out. I'm a native Floridian and I love exploring my home state. Some of the activities I enjoy are sailing, hiking, SCUBA diving, snorkeling, camping, and canoeing. I've also done some rock wall climbing and touring on a bike. Some things I would like to try are kayaking, spelunking, and sky diving. Looking forward to meeting everyone! B)

Hello, my name is Brad and me and my wife live in Tampa, FL. I an outdoor/adventure person for sure and I have been considering trying some local adventure races here in FL. I have never done one, but I have mountaineering, climbing, biking, and canoeing experience. I am trying to find folks (with or without experience ) that might be interested in trying this kind of thing out. Let me know if you and your boyfriend are interested. Thanks.

Brad
